Where Artistry Meets Whimsy: Expertly Woven Collections

Classic loom woven paper silhouettes are given new, durable identities for the exterior. Crafted in synthetic fiber woven over aluminum frames, the charming Butterfly II is characterized by curvy silhouettes and embracing seat backs. Butterfly II translates a playful wing motif through an armchair, lounge chair, two-seat sofa and three-seat sofa.

Another iconic loom form reemerges for the outdoors—the stately Edward II collection. Solid premium teak is juxtaposed with intricately woven synthetic materials creating a versatile collection of seating that includes a side chair, barstool and counter stool. Offered in two elegant hues, Java and Vellum, Edward II's simple yet commanding lines and clean design allow the pieces to seamlessly coordinate with any space, be it contemporary or classic.
