Take in Picture-Perfect Views While Poolside with Pivot

The alluring Pivot Swivel Daybed is unmatched in style, craft, and comfort. With a round, encapsulating frame, this stunning daybed resembles a nest, intricately handwoven and embracing in both form and function.

Designed for maximum relaxation, Pivot's expertly engineered aluminum frame supports durable handwoven JANUSfiber in a sophisticated Smoke finish. Wheels allow loungers to enjoy a 360-degree view, while the adjustable canopy blocks sun when needed. The collection's innovative design offers a charming retreat—the perfect choice for installations surrounded by natural beauty.

At home in any setting from a residential poolside to a high-end resort, Pivot is an achievement in beauty and functionality.
