BEYOND TOPIARY

Bon Vivant Poufs Punctuate Spaces with Personality and Functionality

A thoughtfully selected balance of color has the power to transform a space—such is the intention of Bon Vivant, a series of playful poufs available in the calming Hemp, Lapis, Walnut, Cool Grey, Coral Melange, Cyan Melange and Raw Umber finishes.

With a firm yet comfortable reticulated foam body, Bon Vivant Poufs are designed for maximum water drainage, air circulation, and feature a removable crocheted exterior, allowing each pouf to exist in harmony with the outdoor elements or a busy family. Bon Vivant holds its shape with raincoat fabric lining while its exterior is adorned with polypropylene crochet yarn, a material that is soft to the touch yet endlessly durable. Available in three sizes, Bon Vivant Pouf and Bon Vivant Grande Pouf, and Bon Vivant Long Pouf, this collection is at home in small spaces and expansive environments alike.

Functional and tastefully fun, Bon Vivant Poufs cleverly function as perches or side tables.
