BEYOND TOPIARY

Our Alta Seating Options Redefine Luxury for Senior Living

Latin for "elevated," the term "Alta" describes a selection of pieces from some of our most celebrated JANUS et Cie collections: the adventurous Amari, the Victorian-inspired Arbor, the geometric Cortino, the endlessly functional Koko II, the minimalist Matisse, and the contemporary Niche collections all feature versatile Alta pieces, each skillfully modified to balance the ensemble's form with functionality to accommodate unique projects.

In addition to a gently raised seat, Alta lounge chairs and sofas are defined by subtle dimension iterations—a slightly shorter seat depth and increased overall height—for a finished product that meets the dimensional requirements for senior living projects. For a complete lounge set, Matisse, Koko II, and Niche collections offer both Alta Lounge Chairs and Alta Two-Seat Sofas.

Available in five iconic styles and a variety of chic finishes, Alta pieces offer a stylish solution well-suited for casual dining and lounge in luxurious country clubs and distinguished senior living communities.
