BEYOND TOPIARY

A Look Back at Our 2022 Partnership with ELLE DECOR

JANUS et Cie looks back at our vibrant 2022 partnership with ELLE DECOR, showcasing both exquisite design and fashion at the forefront.

To kick off the year, the January/Winter Escapes issue showcases timeless, all-weather pieces designed to enjoy outdoor entertaining in any season. Pictured (center left): Anatra teak high-back lounge chairs and side tables; (bottom right): Knot armchairs, Anatra armchairs, Gina dining table, and Ambrosia pomegranate sculpture.

Published in March's 2022 Art issue, photographer Tyler Joe shines a spotlight on the Amari collection before New York City's most iconic cultural landmark. Pictured (top): Amari low-back lounge chairs, side table, three-seat sofa, and Dupioni vase. Click [here](https://elledecor.com) to read the full story on ELLEDECOR.com.

June/Summer's More, More, More feature boasts an array of edgy-elegant, in-stock collections that are best displayed in pairs, or even groupings. Pictured (center right): Matisse club chairs.

We toast to the changing of the seasons with an elegant garden party just north of Manhattan in September's All About Glamour issue. Pictured (center image): Kyoto Alu armchairs and Amari fully woven square dining table; (bottom left): Amalfi backless bench, tuxedo sofa, hourglass side table, ottoman, and Britannia sway bowl.
