

JANUS et Cie®

BEYOND TOPIARY

To Every Season

As long, hot days give way to crisp breezes, we look to ELLE DECOR's 2023 Winter issue, featuring some of the best summertime activities we continue to enjoy in autumn, from courtside to lakeside.

Pictured (top): Serengeti armchairs and dining table; (bottom left): Lucy lounge chair; (bottom center): Serengeti two-seat sofa with canopy in Shoal fabric, side tables, and cocktail table and Quinta teak/woven tray; (bottom right): Lucy chaise lounges and side table

As the cooler weather beckons us to gather outdoors in friendly competition, we invite you to browse our Actively Inspired Pinterest board exploring the flair and sophistication of an on-the-move lifestyle.
