BEYOND TOPIARY

An Evening Recognizing FREDERIC's 2025 It List Designers

On a warm fall evening alive with color and conversation, FREDERIC magazine and JANUS et Cie honored the recipients of FREDERIC's third annual It List Awards during an intimate dinner held at Editor-in-Chief Dara Caponigro's New York home.

The property's outdoor spaces were outfitted with dining and lounge pieces from JANUS et Cie's Amalfi and Plume collections. Marigot and Moonflower Lanterns illuminated pathways and tabletops, while Monsoon Vases and Vessels elegantly adorned the event.

The group of style-conscious visionaries enjoyed canapés, libations, and a buffet style dinner prepared by tastemaker Carlo Geraci, followed by remarks by Schumacher CEO & President Timur Yumusaklar and JANUS et Cie CEO Bill Ward.

True to FREDERIC's philosophy that celebrating rising talent is as meaningful as honoring design legends, the editorial team scours the globe each year in pursuit of the industry's most inspiring up-and-coming designers. The 2025 It List honorees hail from Paris, London, New York, Los Angeles, Oklahoma, and Alabama.

We are honored to celebrate these fourteen emerging designers: Rebecca Amir, Lindsay Falconer, Nathan Némét and Beatrice Tait-Loft of Studio N&TL, Valerie Peña, Ellie Peugeot, Justice Quinn, Emily and Joe Reilly of Coal Cornwall, Beatriz Rose, Anna Still and Marguerite Johnson of Still Johnson, Adam Ben Wagner, and Michael Zipp.
