BEYOND TOPIARY

JANUS et Cie & Jane Churchill Bring Coastal Elegance to the Outdoors

As part of fabric and wallpaper firm Jane Churchill's Fall 2026 launch, JANUS et Cie paired up with the London-based brand to showcase their beautiful new striped navy textiles on our classic Arbor collection.

The soft Seashell JANUS fiber finish of the Arbor Lounge Chair and Ottoman, the dune-like stone matrix texture of the Carefree Side Table, and the variegated navy tones of the indoor/outdoor Jane Churchill fabric together evoke the spirit of a tranquil seaside sanctuary.

Inspired by refined Victorian garden furniture with unassuming elegance and generous proportions, the handwoven Arbor collection presents sophisticated silhouettes in exceptionally durable materials.
